Password is changed and hashed

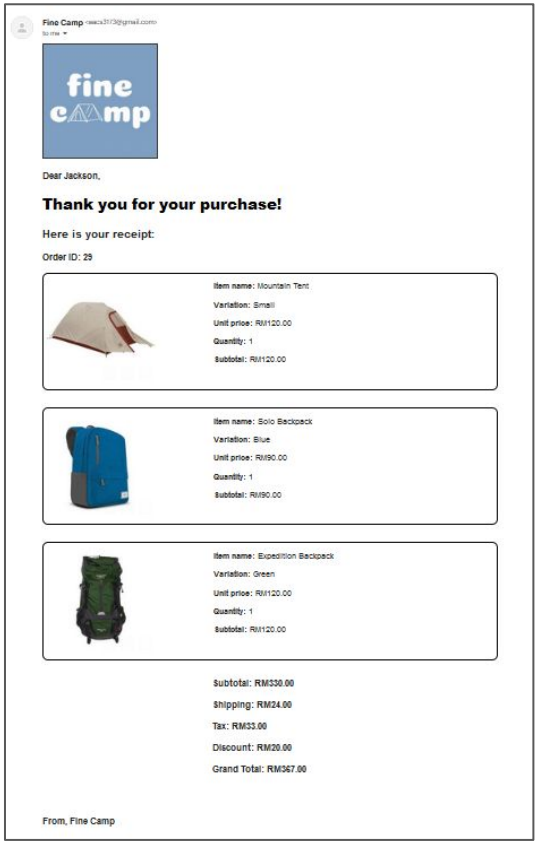

Payment (Fake)

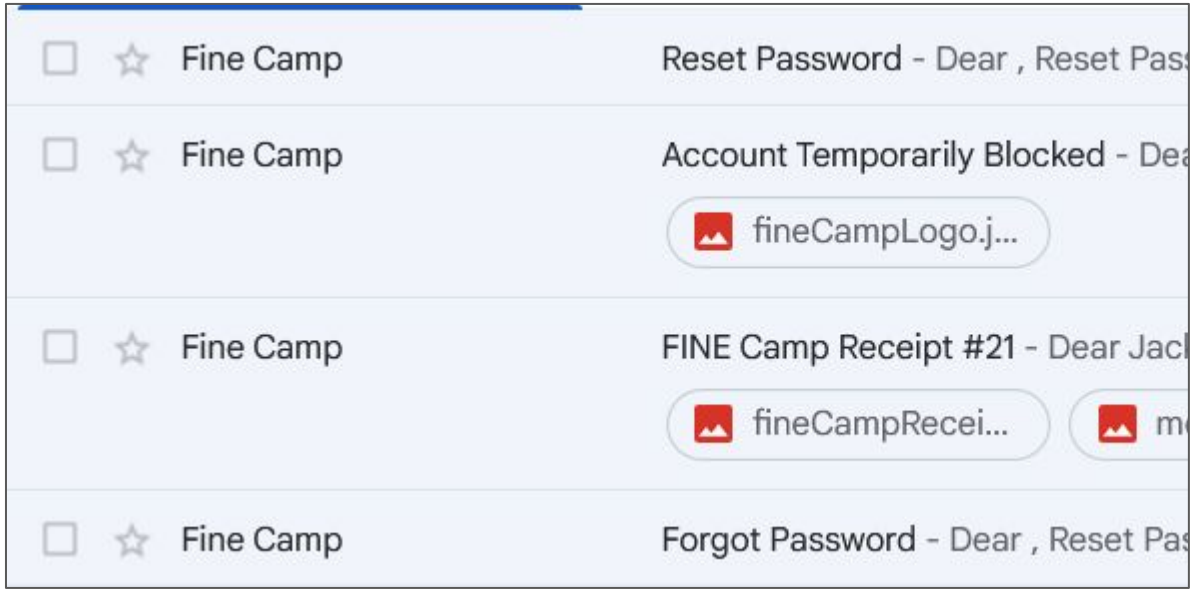

User can only select two types of cards. The system will validate whether it is a valid card detail or not by comparing with “valid dummy data”

E-Receipt (Email)

A receipt will be sent to the user along with the images and their details. Bills will be concluded at the bottom.

Emails also have correct titles

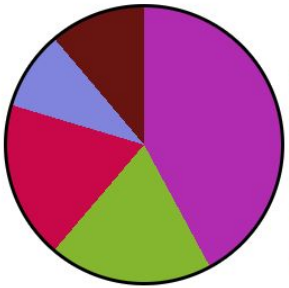

Data Charts & Top Selling Products

Table will update according to the created payments. The pie charts will display the percentages of the items that's in the table. The pie charts' percentages are adjusted based on the percentages of "quantity" and "total"

Top Selling By Quantity

Filter by month 24 / 09 / 2024 Go

Item	Variation	Quantity	Total Earned
Mountain Tent	Small	9	1080.00
Family Tent	4-Person	4	800.00
Solo Backpack	Blue	4	360.00
Mountain Tent	Large	2	320.00
Solo Backpack	Black	2	180.00

Quantity

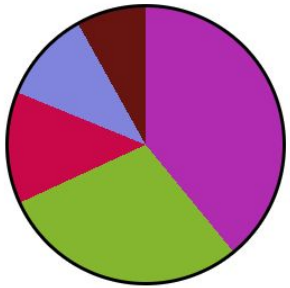

Purple: Mountain Tent (Small)

Green: Family Tent (4-Person)

Red: Solo Backpack (Blue)

Blue: Mountain Tent (Large)

Brown: Solo Backpack (Black)

Total Earned

Purple: Mountain Tent (Small)

Green: Family Tent (4-Person)

Red: Solo Backpack (Blue)

Blue: Mountain Tent (Large)

Brown: Solo Backpack (Black)

Data Charts & Top Selling Products

The tables and slides will filter according to the month AND year.
If there are no records on that specific month, it will display the current date

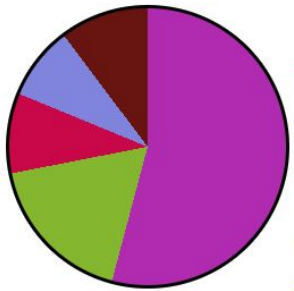

(This image shows different item amounts, different pie chart outputs according to records and current date if no record)

Top Selling By Quantity

The Month Has No Records

Filter by month 25 / 09 / 2024 Go

Item	Variation	Quantity	Total Earned
Mountain Tent	Small	6	720.00
Mountain Tent	Large	2	320.00
Summer Sleeping Bag	Medium	1	60.00
Family Tent	4-Person	1	200.00
Solo Backpack	Black	1	90.00

Quantity
